

VESSEL "ROPER-K"

GENERAL DETAILS

Type:	Supply vessel	M&H No:	2086
Builder:	K Shipyard	Beam:	8m
Length:	34.9m	Draft (light):	1.5m
Last Slipped:	Feb 2004	Draft (loaded):	3.0m
Launched:	1983	Hull Const:	Steel
Extended:	1995	New W/house:	2002

SURVEY STANDARDS

Class:	2B and 3B	Persons on Board:	Max 14
Equip Due:	22.03.06	Compass Due:	16.03.06
Hull Due:	19.02.06	Shaft Due:	19.02.08
Life Rafts:	1 x 6 man, 1 x 8 man	Life Rings:	4

POWER

Main Engines:	2 x Cat 3406E	HP:	450
Hours:	13,000	Age:	4½ years
Speed Max:	12 knots	Cruising:	9 knots
Gearboxes:	2 x Twin Disc 514C	Reduction:	4.13:1
Aux Engine:	MTU V6	KVA:	200
Crane:	Palfinger PK7000A	Reach:	9 metres

TANKS

Fuel No:	22	Capacity:	330,000L
Water No:	5	Capacity:	65,000L
Desal Unit:	1	Produces:	15,000L/day

GALLEY

Stove/Oven:	Westinghouse	Microwave:	Sharp Carousel
Fridge:	Fisher & Paykel	Freezer:	Kelvinator
Television:	ACA	Video:	Samsung VHS
Stereo:	Sony	W/Machine:	Fisher & Paykel

ACCOMMODATION

Master:	1 x cabin	Crew:	4 x cabins
	Double bunk		8 single bunks
Showers:	2	Toilets:	2

CHILLER ROOM

Compressor:	Blisfiero	Evaporator:	York
--------------------	-----------	--------------------	------

FREEZERS

On Deck:	4 (portable) holding 25 tonne	Make:	Carrier
Below Deck:	2 x built in freezers holding 95 tonne (approx 7.5m wide x 2m deep x 12m long)		

WHEELHOUSE

VHF Radio:	GME	HF Radio:	Barrett
Stereo:	Sharp	Sat Phone:	Westinghouse
Inmarsat:	Trimble Galaxy	HF Radio:	Codan
Plotter:	Yes	Tuner:	Codan
Radio:	Icom	Sounder:	Furuno
Radar:	JRC JMA	GPS:	Furuno
Auto Pilot:	Course Master	Compass:	Tokyo Keiki
Air Con:	Email Air	Air Con:	York

General Comments: The "Roper-K" is the perfect small trade vessel at just under 35 metres in length with proven ocean going capability yet shallow water draft designed to access river and archipelago systems. Large fuel and fresh water capacity, extensive refrigerated hold and large deck cargo area, the "Roper-K" would suit any multi purpose trading requirements. The vessel is in excellent condition with fuel efficient E series Cat engines, using synthetic oils since new, and a new wheelhouse (three years) with both Master and Engineer accommodation.

Price: \$1,670,000 + GST
